§ 301.64-4 Conditions governing the interstate movement of regulated articles from regulated areas in quarantined States.

Any regulated article may be moved interstate from any regulated area in a quarantined State into or through those areas listed in § 301.64(b) of this subpart only if moved under the following conditions:³

(a) With a certificate or limited permit issued and attached in accordance with §§ 301.64-5 and 301.64-8;

(b) Without a certificate or limited permit, if:

(1) Moved to any State not listed in § 301.64(b) or

(2)(i) Moved directly through (moved without stopping except under normal traffic conditions, such as for traffic lights or stop signs) any regulated area in an enclosed vehicle or completely enclosed by a covering adequate to prevent the introduction of the Mexican fruit fly (such as canvas, plastic, or closely woven cloth), and

(ii) The article originated outside of any regulated area, and

(iii) The point of origin of the article is clearly indicated by shipping documents and its identity has been maintained.

§ 301.64-5 Issuance and cancellation of certificates and limited permits.

(a) A certificate shall be issued by an inspector for the movement of a regulated article if such inspector:

(1)(i) Determines that it has been treated under the direction of an inspector⁴ in accordance with § 301.64-10; or

(ii) Determines based on inspection of the premises of origin that the premises are free from the Mexican fruit fly and the article has not been exposed to Mexican fruit fly; or

³Requirements under all other applicable Federal domestic plant quarantines and regulations must also be met.

⁴Treatments shall be monitored by inspectors in order to assure compliance with the requirements in this subpart.

7 CFR Ch. III (1-1-01 Edition)

(iii) Determines based on inspection of the article that it is free from Mexican fruit fly; and

(2) Determines that it is to be moved in compliance with any additional emergency conditions necessary to prevent the spread of the Mexican fruit fly pursuant to section 105 of the Federal Plant Pest Act (7 U.S.C. 150dd);⁵ and

(3) Determines that it is eligible for unrestricted movement under all other Federal domestic plant quarantines and regulations applicable to such article.

(b) A limited permit shall be issued by an inspector for the movement of a regulated article if such inspector:

(1) Determines, in consultation with the Deputy Administrator, that it is to be moved to a specified destination for specified handling, utilization, processing, or for treatment in accordance with § 301.64-10 (such destination and other conditions to be specified on the limited permit), when, upon evaluation of all of the circumstances involved in each case, it is determined that such movement will not result in the spread of the Mexican fruit fly because life stages of the pest will be destroyed by such specified handling, utilization, processing, or treatment;

(2) Determines that it is to be moved in compliance with any additional emergency conditions necessary to prevent the spread of the Mexican fruit fly pursuant to section 105 of the Federal Plant Pest Act (7 U.S.C. 150dd);⁵ and

(3) Determines that it is eligible for such movement under all other Federal domestic plant quarantines and regulations applicable to such article.

⁵Section 105 of the Federal Plant Pest Act (7 U.S.C. 150dd) provides among other things, that the Secretary of Agriculture may, whenever he deems it necessary as an emergency measure in order to prevent the dissemination of any plant pest new to or not theretofore known to be widely prevalent or distributed within and throughout the United States seize, quarantine, treat, apply other remedial measures to, destroy, or otherwise dispose of, in such manner as he deems appropriate, any product or article of any character whatsoever, or means or conveyance, which is moving into or through the United States or interstate, and which he has reason to believe is infested or infected by or contains any such plant pest.
